SUMMARY

With over 5 years of experience as a dental assistant, I bring a strong combination of technical proficiency, organizational skills, and patient-centered care. Skilled in radiography, surgical assistance, and infection control, I ensure smooth clinical operations and high standards of safety. I am dedicated to fostering an environment that reduces patient anxiety, improves engagement, and supports positive long-term oral health outcomes. My ability to streamline workflows, implement efficient record-keeping systems, and mentor new staff has consistently contributed to improved office efficiency and patient satisfaction.

SKILLS

CPR Certification	X-ray Proficiency	Patient Management Systems	Dental Software (e.g., Dentrix)
Infection Control Procedures	Surgical Assistance		

EXPERIENCE

Dental Assistant

Houston Dental Associates

08/2021 - Present  Houston, TX

- Assisted in over 30 procedures weekly, ensuring all instruments were properly sterilized and organized for efficient workflow.
- Developed and implemented new patient record management system, resulting in a 20% increase in office efficiency.
- Provided education on post-treatment care to 100+ patients, enhancing overall patient satisfaction and retention rates.
- Changed medical histories effectively, improving patient data accuracy, which resulted in better care plans for patients.
- Collaborated with the dental team to improve patient scheduling, significantly reducing wait times by 15% on average.

Oral Surgery Assistant

Advanced Dental Surgery Center

01/2019 - 07/2021  Houston, TX

- Assisted surgeons in a variety of complex oral procedures, handling instruments and maintaining sterile environment.
- Trained two new assistants, enhancing team efficiency and ensuring adherence to all safety protocols.
- Conducted over 50 dental X-rays per week which contributed to a smoother diagnostic process for our dental team.
- Maintained a clean and organized workspace, receiving recognition for outstanding adherence to cleanliness standards.

Dental Hygiene Technician

Healthy Smiles Clinic

06/2017 - 12/2018  Houston, TX

- Assisted the dental hygienist during cleaning appointments, contributing to improved patient throughput and satisfaction.
- Managed sterilization of instruments and compliance with health regulations, ensuring safety in our dental practice.

EDUCATION
